# WELCOME

La Strada is a family-owned restaurant with a clear philosophy. Only high-quality home-made dishes are served, consisting of fresh and local ingredients. Elena and Ichim live out their dream in a warm and friendly atmosphere.

The Romanian-born chef, Ichim, learned his craft in a family-owned, Italian restaurant in Bucharest. Driven by his passion for food and his eagerness for new knowledge, Ichim spent many years around Europe where he worked with a number of chefs to develop their knowledge and skills in the kitchen. After several years in southern Norway, Ichim and his wife, Elena, found the perfect place for their own restaurant - La Strada.

**«ANY CHEF WHO LOVES HIS JOB WILL SAY THAT POSITIVE FEEDBACK FROM A SATISFIED GUEST IS ONE OF THE MOST IMPORTANT ASPECTS OF THE JOB. AS A CHEF WILL FORGET ALL THE STRESS, ALL THE LONG HOURS AND THE SLEEPLESS NIGHTS. FOR A CHEF, NOTHING COMPARES TO THE JOY OF GETTING SOMEONE EXCITED FOR THE FOOD YOU COOK»**

- Chef Ichim

# WINE LIST

## SPARKLING

**Taittinger Brut Reserve AOC/AOP Champagne 12,5 % vol (French)** 1499,-

*Unlike the other big champagne houses, Taittinger is still a family business, something they have been since 1734. Taittinger is also one of the largest owners of champagne vineyards, with vineyards located in the absolute best parts of the district. The house in Reims is built on the ruins of the monastery of Saint Nicaise. Under the buildings you will find large lime cellars, dating back to the 4th century (Roman times), where the bottles are located for storage. These basements are a UNESCO World Heritage Site. Made on method. Each individual grape variety is vinified separately, and mixed before adding sugar and yeast for new second-time fermentation in a bottle. The wine matures 3-4 years in a bottle before the precipitate is removed (Dégorgement). The wine is sweetened and so ready for sale.*
